CENTRAL COMES ON SPECIAL

St. Joseph Athletes Will Arrive at 10:30 in the Morning—Varner Out of Meet.

A special train over the Burlington will arrive here at 10:30 o'clock tomorrow morning from St. Joseph, bringing athletes and fans to the annual inter-high school track meet here tomorrow afternoon. The athletes will hail from St. Joseph Central and the Savannah high schools. A large number of fans of St. Joseph and about thirty of Savannah also are expected to come on the special.

Bryan Varner, one of Central's best athletes, will probably be unable to take part in the meet here tomorrow on account of having sprained a ligament in one of his knees Monday while practicing. He was slated to represent Central in the shot put and discus throw, besides some runs.

Central's men are showing up well, and will probably break some records, or at least carry away several of the honors here tomorrow. They are still weak on weight events, however.

Castle is expected to make a fine record for Central in 100-yard dash, but not to break the present inter-high school record. Martin Ozenberger and Colt also are entered for the event, but probably Castle and Martin will be the final entries.

Dan Harroun will represent Central in the mile run; Marion Martin and Colt in the 220-yard dash; Martin and Allison Cash in the 120-yard hurdle; Barrett Castle and Cash in the 220-yard hurdle; Cash alone in the pole vault; Elliott Spratt in the running high jump; Campbell and Sellars in the 440-yard run; Barrett Castle in the running broad jump; Campbell in the standing broad jump and hop, step and jump.

Pickering School and Maryville Quintet Will Give Entertainment Tonight.

Mrs. W. M. Westbrook, Miss Nellie Wray, Miss Alice Porter, Prof. P. O. Landon and Prof. H. B. Schuler will go to Pickering tonight to assist in giving an entertainment for the benefit of the Pickering high school. The affair will be held in the Christian church of Pickering.

Returns from Florida.

Mrs. Laura A. Beal and daughters, Misses Alice and Bertha Beal, returned this morning from a winter's stay at St. Augustine, Fla.

MANY SCHOOLS END

NODAWAY YOUTHS FREED AGAIN FOR SUMMER'S SPORTS.

NO FUNDS CLOSED SOME

Quitman Quit Early Because of Bare Treasury—Normal Closes May 14, Local Institution Later.

Along with the approach of warm weather, and its accompanying attractions in the way of fishing, swimming boat riding and joy riding, comes the closing down of the nearly innumerable little rural schools and some town schools over Nodaway county. And few tears are being shed, at least not by the boys. Really the girls are just as glad to close their books for from two to four months and forget study and school recitations.

The youth of Maryville too will be overjoyed to know that the city schools here will close within a month or to be exact, May 21. Of course they would like it to be at once, but better late than never. The students at the State Normal School here will get out about the same time or May 14, although there will be general school exercises for the next week thereafter.

Most of the 178 schools of Nodaway county are of eight-months duration, lasting from September until May or the latter part of April, but there are also seven-months schools and a few of nine months period. A greater majority, however, closed Friday afternoon or the week preceding, and now hundreds of youths over this county are rejoicing as never before or at least since Christmas.

Quitman Lacked Funds.

Several schools were closed earlier than scheduled on account of lack of funds. This was particularly true at Quitman, where there were eight high school students and about 60 in the grades. The high school was closed in February and the grade on March 12.

The schools closed Friday or last week, together with teachers on which County School Superintendent has reports are: Snowball, Miss Etthel Tibbitts; Black Oak, Mrs. Edith Tanner; Elmo, W. A. Wright, principal, Cora Golda, Dollie McDonald and Helen Hutt; Risser, Gladys Hunter; Myrtle Tree, Miss Ada Walter; Union, Miss Dollie McKnight; Highland, Miss Rose Shinabargar; Wilcox, Miss Mae Davis. Tarpley, Lora Stultz; Munkers, Myriel Gates; Snowball, Ethel Tibbetts; Evans, Helen Hollis; Hazel Dell, Besse Rowlett; Miller, Ora Wilcox; Common Sense, Inez Geneva Rea; Butler, Blanche Winslow; Unity, Eugene Bird; Mt. Ayr, Claire Kidder; Mozingo Valley, Mabel Null; Pioneer or Moore, Blanche Bloomfield; Sweet Home, Mildred Peters; Liberty, Bertha Campbell; Dawson, Elizabeth Chloe Davis; Lorain, Neomi Horne; Fox, Bernice Rasco; Hazel Grove, Lucy Archer; Elmo Grove, Coga Thummel.

Fairview, Wayne O'Neal; Elkhorn, Lucile Snowberger; 'Possum Walk, Nellie J. Halasey; Salem, Helen Helpley; Plum Grove, Opal Cannon; Long Branch, Vida Heflin; Morning View, Miss Blanche Shipps.

Other schools of Nodaway county which had been closed prior to last week are. Herron, Central, Eureka, Washington, Common Sense, Pifer, Mowery, Council Corner, Logan, Hickory Hill, Lincoln, Swallow, Lone Star, Burr Oak, Carter, Green, Zenia, Baker, Hedge College, Olwell, Barnes, Shell Grove, Singery, Gray Grove or Toad Hollow, Prairie Star, Mount Joy and Maple Grove.

PAINTER ADDRESSES NORMAL

Lieutenant-Governor Tells Students Third Poorest Teachers Should Be Eliminated.

Lieutenant Governor W. R. Painter visited the State Normal School this morning and addressed the student body and faculty during the assembly hour.

Mr. Painter, in an unassuming manner gave some interesting data in regard to the State of Missouri and Missouri schools.

"Missouri," said Mr. Painter, "is a poor state on the basis of dollars and cents, yet she is richer than perhaps any other state in the education she provides for her boys and girls."

The speaker went on to say that of all the taxes levied 33 1-3 per cent went to the rural schools of the state, the normal schools, high schools and state university came in for a proportionate share of the appropriations.

Mr. Painter said that he was aware that the teaching profession was under paid, and suggested that it always would be as long as incompetent teachers were in the field. "I would make the examinations so rigid," said Mr. Painter, "that one third of the people now in the teaching profession would be unable to meet the requirements. It would necessarily follow that the other two thirds could command a proper compensation for their services. The poor teacher should not be allowed to teach at any price."

During the assembly hour music was given by Prof. P. O. Landon and Miss Alice Porter of the Maryville Conservatory of Music, and Prof. H. B. Schuler, head of the music department of the Normal school.

Prof. Landon and Miss Porter played a piano duet, "Suite of Waltzes," by Kroeger. Mr. Schuler sang two songs, "Nita Gitana," by DeKoven, and "Mammy's Song," by Ware.

A number of people who have come to attend the oratorical contests and track meet were visitors at the Normal school this morning.

MADE GOOD RECORDS IN 1914

Inter-High School Literary Contests Last Year Were Good, Records Show

While the sixth annual inter-high school literary and athletic contest to be held tomorrow and Saturday, promises to be the "best ever" and no doubt will, both in point of number of entries and qualifications of contestants, the fine showing last year must not be forgotten. For last year the Northwest Missouri schools furnished some splendid material, both in athletics and declamations, orations and essays. In fact nine new athletic records were established at the track meet.

The declamatory, oratory and essay contests last year resulted as follows:

Girls' contest—Miss Marjorie George St. Joseph Central, first; Miss Pauline Kenewer, Breckenridge, second; Miss Mary Goodpasture, Maitland, third; Miss Ermal Sager, Stanberry, fourth; Miss Beatrice Walter Rock Port, fifth.

Boys' contest—Heber Hunt, Platte City, first; George Crowson, Maryville, second; Russell Cox, St. Joseph Central, third; Sam Painter, Chillicothe, fourth; Virgil Harris, Tarkio, fifth.

Essay contest—J. C. Marshall, Platts burg, first; Miss Bernice Lorey, Chillicothe, second; Robert Boydston, Platte City, third.

Central Made Most Points.

The number of points made by each high school competing in last year's inter-high school track meet here were:

First, St. Joseph Central, 57½ points; second, Chillicothe, 15¾ points; third, Breckenridge, 11 points; fourth, Mound City and Grant City tied with 10 points each; fifth, Hale and Tarkio, tied with 9¼ points each; sixth, Maitland, 8¼ points; seventh, Trenton, 7 points; eighth, Savannah and New Hampton tied with 6 points each; ninth, Princeton, 5 points; tenth, Platte City, 4 points; eleventh, Bosworth, 3¾ points; twelfth, Weston and Bethany tied with 2 points each; thirteenth, Maryville, 1¼ points.

Resume Silo Construction.

The interlocking cement stave silo factory of Hubbard & McDonald, north of Ravenwood, opened up for business this week with a full crew of men, and many hundred of cement staves are being turned out daily.

The firm has seventeen of these silos sold, and many more prospects of silos at hand.—Ravenwood Gazette.

AUSTRIAN PROVINCE DECLARES FOR LATINS

Inhabitants Cheer Native Land, Against Rules of Dual Monarchy—May Arouse Country to Action.

By American Press.

Rome, April 23.—Fear is felt that the shortage of food in Trieste may result in disorder of such importance that will lead to serious trouble here, where everything affecting Trieste is watched with the closest interest, because the population of that Austrian crown land is chiefly Italian.

The people of Trieste are reported as marching through the streets demanding bread and crying "Down with the war," cheering for Italy. Under rigid Austrian regulations of the past this procedure would have resulted in arrests, as the display of Italian colors or singing of Italian anthems were prohibited.

If the situation in Trieste becomes worse it is believed here that it may be sufficient for the Italian government to take a hand, because of the sympathy and excitement it would arouse among the people of this country.

Without accusing Thaw or any of his intimates of participating in the plot, local authorities said they had reason to believe that plans had been laid to take Thaw from his guard on the way to court here, place him in an automobile and hurry him to the first train for Virginia.

"Our whole duty is summed up in the motto, 'America first,'"—Woodrow Wilson.

Did you ever notice that the public servant who performs his duties to your entire satisfaction in a thousand cases and fails to please you in one is a terribly bad fellow?

It is useless to look down upon the meek and lowly "movies." They are here, and they have a firm hold on us. That the movie "habit" is growing and is one of the fixed things to be reckoned with hereafter is evident. During the year 1913 $275,000,000 was paid in nickels and dimes for admissions to moving picture shows. More than 11,000,000 people in this country visit the "movies" every day in the year, and more than $120,000,000 is invested in moving picture theaters. That they fill a public want is evident. They are the poor man's opportunity and everybody's convenience.

It Is Worth $2.00 *to Look Right* ?

THE, simplest dress, the most inexpensive suit, look different over our $2.00 Gossard Corsets. In Maryville an army of women believe that it is worth $2.00 to have their figure correctly corseted—they believe that clothes do not make the woman unless she has the right corset.

There is quality in this model—style—long wearing service. False economy is extravagance—continued usefulness and satisfaction are real economy. Which is better—six one dollar corsets a year, or two Gossard Corsets at $2.00 each?

Which is better, authoritative style and scientific fitting or haphazard selection over the counter of the garment which makes or mars the beauty of your figure?

Stop your corset purse leaks—make a careful investigation—be fitted to any corset, then try on this jewel of corset values and we will let you decide. It is worth double the price we ask—$2.00.

JOPLIN WOMAN IS RESTORED BY REMEDY

Mrs. Hillman Took Treatment Two Years Ago—Has Been Well Ever Since.

Mrs. Ida Hillman of Joplin suffered from stomach ailments for twelve years. She followed the advice of several expert physicians and took a great deal of medicine. Two years ago she discovered Mayr's Wonderful Remedy—and she has been well since. Mrs. Hillman took but a few doses. She writes:

"I suffered with stomach trouble almost twelve years. I tried many doctors, but received no help until, while in Cleveland, Ohio, I read your notice in a paper and concluded to try Mayr's Wonderful Remedy. Since then I have felt like a new woman.

"I took only four bottles, but that was all that was needed to make me well. It has been almost two years and I have had no return of my trouble."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

IMPROVE CEMETERY NEXT WEEK.

Road Around Old Burying Ground Planned—To Be Leveled, Too.

The old county cemetery at First and Water streets will be improved next week by order of the county court, by the establishment of a driveway on the east, north and west sides of the burying ground, and by leveling off the tract, W. M. Blackford, presiding judge of the county court, announced this morning. The work will be in charge of B. F. (Doc) Mozingo, who will begin work on the cemetery Monday morning.

The city has agreed to furnish a team, wagon and driver to remove the surplus dirt for use in making a fill near Davis and Third streets. None of the larger trees in the cemetery will be removed, as was first planned, but two small saplings will be eliminated. The improvement work was ordered on petition of the local chapter of the Daughters of the American Revolution.

MISS BAKER WINS HONORS.

Obtains Highest Scholarship Rank of Girl Students at Northwestern.

Miss Carrie Margaret Baker, the daughter of Mr. and Mrs. George B. Baker of this city, a student at Northwestern university, won the highest scholarship grade of any sorority member, and because of this was honored by being made the toastmistress of the Pan Hellenic association banquet, given Tuesday night at the university.

The banquet is one of the most important features in the school activities. It is an honorary scholarship banquet, the girl maintaining the highest average in each sorority being the guests of the association. The two ranking highest in each class of the university are also guests.

The plan was worked out two years ago in the hope of stimulating interest in the scholarship averages.

The highest honor of the year in the girls' classes is that given Miss Baker, whose average was the highest in the sorority and also in scholarship. She is a member of the Chi Omega sorority.

TAKE CASE TO SUPREME COURT.

Local Attorneys to Jeff City to Conduct Conway vs. Robinson Suit.

T. A. Cummins of the firm of Cook, Cummins & Dawson, and M. E. Ford of the law firm of Wright & Ford, left Maryville yesterday for Jefferson City to appear as counsel in a suit of Julia A. Conway against Fred P. Robinson, which has been taken to the state supreme court. The case will be considered today.

Mr. Robinson could not attend on account of other business detaining him here.

The case is being taken to the supreme court to test the constitutionality of a proceeding in selling a wife's dower to a piece of land. The property in question is in the west part of town. It is a test case and involves the title to several pieces of property in the Lynnhurst addition.

The property was sold in 1878 to George Henbeck, who sold it to Mr. Robinson's father, T. L. Robinson.

The case was first brought in the Maryville court in January, 1912. Judge Ellison disqualified himself from sitting in the case and it was transferred to Gallatin.

Mr. Robinson won the case in the Gallatin court and it was appealed.

Druggist's Here Have Something New for Colds

Applied Externally, the Body Heat Releases Soothing Antiseptic Medicated Vapors.

COLDS GO OVERNIGHT, CROUP IN 15 MINUTES.

Druggists Below Are Giving With Each Sale A Refund Blank Good for Money Back if Not Delighted.

Since its introduction here a short time ago, the new treatment for cold troubles, known as Vick's "Vap-O-Rub" Salve, has aroused a great deal of interest among local people, especially among mothers with small children.

Local druggists report that numbers have taken advantage of their 30 day trial offer to see if Vick's really will relieve these troubles quicker than internal medicine. With each sale they are giving a refund blank, showing date of purchase, which is good for your money back if Vick's is not the best thing you have ever tried.

For croup, coughs, head colds, sore throat or bronchitis, apply Vick's over the throat and chest, covering with a warm flannel cloth. Leave the covering loose around the neck so the vapors attain only the throat and inhaled. In addition, Vick's is stirred through the nose, taking out first nostril and sprayed. For head colds, catarrh, hay fever or asthmatic troubles Vick's can be either applied up the nostrils, or a little melted in a spoon, and the vapors inhaled. You have to try this treatment to realize its remarkable effect in all cases of cold troubles.

Letter to Mr. Fred Kurtz,

Maryville, Mo.

Dear Sir: The cheap paint to buy is the one that covers more than you think; the cheap one to wear is the one that is young when old.

Mrs. Moore of Kelsey, N. Y., bought 16 gallons Devoe to paint her house two coats; her painters said it would take that. Had 6 gallons left.

Mr. James Ackley's house, in Cairo (Catskill Mountains), N. Y., was painted Devoe; it wore 14 years; and the paint was in good condition then. He was going to paint, the last we knew, though. That's the way to preserve a house; repaint when there's no occasion. Yours truly,

DOCTORS USING AMOLOX WITH GREAT SUCCESS

This remarkable letter, coming from a prominent physician engaged in active practice for over 25 years, proves the merit of this wonderful new remedy:

I have used Amolox in four different cases with excellent results. All showed marked improvement from the start. Two apparently are cured, the skin being free from scales and redness, and perfectly normal.

I consider Amolox a remedy of rare merit. I know of nothing in the modern text books that equals it in therapeutic value.

Very truly yours,

CENTRAL COMES ON SPECIAL

St. Joseph Athletes Will Arrive at 10:30 in the Morning—Varner Out of Meet.

A special train over the Burlington will arrive here at 10:30 o'clock tomorrow morning from St. Joseph, bringing athletes and fans to the annual inter-high school track meet here tomorrow afternoon. The athletes will hail from St. Joseph Central and the Savannah high schools. A large number of fans of St. Joseph and about thirty of Savannah also are expected to come on the special.

Bryan Varner, one of Central's best athletes, will probably be unable to take part in the meet here tomorrow on account of having sprained a ligament in one of his knees Monday while practicing. He was slated to represent Central in the shot put and discus throw, besides some runs.

Central's men are showing up well, and will probably break some records, or at least carry away several of the honors here tomorrow. They are still weak on weight events, however.

Castle is expected to make a fine record for Central in 100-yard dash, but not to break the present inter-high school record. Martin Ozenberger and Colt also are entered for the event, but probably Castle and Martin will be the final entries.

Dan Harroun will represent Central in the mile run; Marion Martin and Colt in the 220-yard dash; Martin and Allison Cash in the 120-yard hurdle; Barrett Castle and Cash in the 220-yard hurdle; Cash alone in the pole vault; Elliott Spratt in the running high jump; Campbell and Sellars in the 440-yard run; Barrett Castle in the running broad jump; Campbell in the standing broad jump and hop, step and jump.

MANY SCHOOLS END

NODAWAY YOUTHS FREED AGAIN FOR SUMMER'S SPORTS.

NO FUNDS CLOSED SOME

Quitman Quit Early Because of Bare Treasury—Normal Closes May 14, Local Institution Later.

Along with the approach of warm weather, and its accompanying attractions in the way of fishing, swimming boat riding and joy riding, comes the closing down of the nearly innumerable little rural schools and some town schools over Nodaway county. And few tears are being shed, at least not by the boys. Really the girls are just as glad to close their books for from two to four months and forget study and school recitations.

The youth of Maryville too will be overjoyed to know that the city schools here will close within a month or to be exact, May 21. Of course they would like it to be at once, but better late than never. The students at the State Normal School here will get out about the same time or May 14, although there will be general school exercises for the next week thereafter.

Most of the 178 schools of Nodaway county are of eight-months duration, lasting from September until May or the latter part of April, but there are also seven-months schools and a few of nine months period. A greater majority, however, closed Friday afternoon or the week preceding, and now hundreds of youths over this county are rejoicing as never before or at least since Christmas.

Quitman Lacked Funds.

Several schools were closed earlier than scheduled on account of lack of funds. This was particularly true at Quitman, where there were eight high school students and about 60 in the grades. The high school was closed in February and the grade on March 12.

The schools closed Friday or last week, together with teachers on which County School Superintendent has reports are: Snowball, Miss Etthel Tibbitts; Black Oak, Mrs. Edith Tanner; Elmo, W. A. Wright, principal, Cora Golda, Dollie McDonald and Helen Hutt; Risser, Gladys Hunter; Myrtle Tree, Miss Ada Walter; Union, Miss Dollie McKnight; Highland, Miss Rose Shinabargar; Wilcox, Miss Mae Davis. Tarpley, Lora Stultz; Munkers, Myriel Gates; Snowball, Ethel Tibbetts; Evans, Helen Hollis; Hazel Dell, Besse Rowlett; Miller, Ora Wilcox; Common Sense, Inez Geneva Rea; Butler, Blanche Winslow; Unity, Eugene Bird; Mt. Ayr, Claire Kidder; Mozingo Valley, Mabel Null; Pioneer or Moore, Blanche Bloomfield; Sweet Home, Mildred Peters; Liberty, Bertha Campbell; Dawson, Elizabeth Chloe Davis; Lorain, Neomi Horne; Fox, Bernice Rasco; Hazel Grove, Lucy Archer; Elmo Grove, Coga Thummel.

Fairview, Wayne O'Neal; Elkhorn, Lucile Snowberger; 'Possum Walk, Nellie J. Halasey; Salem, Helen Helpley; Plum Grove, Opal Cannon; Long Branch, Vida Heflin; Morning View, Miss Blanche Shipps.

Other schools of Nodaway county which had been closed prior to last week are. Herron, Central, Eureka, Washington, Common Sense, Pifer, Mowery, Council Corner, Logan, Hickory Hill, Lincoln, Swallow, Lone Star, Burr Oak, Carter, Green, Zenia, Baker, Hedge College, Oiwell, Barnes, Shell Grove, Singery, Gray Grove or Toad Hollow, Prairie Star, Mount Joy and Maple Grove.

PAINTER ADDRESSES NORMAL

Lieutenant-Governor Tells Students Third Poorest Teachers Should Be Eliminated.

Lieutenant Governor W. R. Painter visited the State Normal School this morning and addressed the student body and faculty during the assembly hour.

Mr. Painter, in an unassuming manner gave some interesting data in regard to the State of Missouri and Missouri schools.

"Missouri," said Mr. Painter, "is a poor state on the basis of dollars and cents, yet she is richer than perhaps any other state in the education she provides for her boys and girls."

The speaker went on to say that of all the taxes levied 33 1-3 per cent went to the rural schools of the state. the normal schools, high schools and state university came in for a proportionate share of the appropriations.

Mr. Painter said that he was aware that the teaching profession was under paid, and suggested that it always would be as long as incompetent teachers were in the field. "I would make the examinations so rigid," said Mr. Painter, "that one third of the people now in the teaching profession would be unable to meet the requirements. It would necessarily follow that the other two thirds could command a proper compensation for their services. The poor teacher should not be allowed to teach at any price."

During the assembly hour music was given by Prof. P. O. Landon and Miss Alice Porter of the Maryville Conservatory of Music, and Prof. H. B. Schuler, head of the music department of the Normal school.

Prof. Landon and Miss Porter played a piano duet, "Suite of Waltzes," by Kroeger. Mr. Schuler sang two songs, "Nita Gitana," by DeKoven, and "Mammy's Song," by Ware.

A number of people who have come to attend the oratorical contests and track meet were visitors at the Normal school this morning.

MADE GOOD RECORDS IN 1914

Inter-High School Literary Contests Last Year Were Good, Records Show

While the sixth annual inter-high school literary and athletic contest to be held tomorrow and Saturday, promises to be the "best ever" and no doubt will, both in point of number of entries and qualifications of contestants, the fine showing last year must not be forgotten. For last year the Northwest Missouri schools furnished some splendid material, both in athletics and declamations, orations and essays. In fact nine new athletic records were established at the track meet.

The declamatory, oratory and essay contests last year resulted as follows:

Girls' contest—Miss Marjorie George St. Joseph Central, first; Miss Pauline Kenewer, Breckenridge, second; Miss Mary Goodpasture, Maitland, third; Miss Ermal Sager, Stanberry, fourth; Miss Beatrice Walter Rock Port, fifth.

Boys' contest—Heber Hunt, Platte City, first; George Crowson, Maryville, second; Russell Cox, St. Joseph Central, third; Sam Painter, Chillicothe, fourth; Virgil Harris, Tarkio, fifth.

Essay contest—J. C. Marshall, Plattsburg, first; Miss Bernice Lorey, Chillicothe, second; Robert Boydston, Platte City, third.

Central Made Most Points.

The number of points made by each high school competing in last year's inter-high school track meet here were:

First, St. Joseph Central, 57½ points; second, Chillicothe, 15¾ points; third, Breckenridge, 11 points; fourth, Mound City and Grant City tied with 10 points each; fifth, Hale and Tarkio, tied with 9¼ points each; sixth, Maitland, 8¼ points; seventh, Trenton, 7 points; eighth, Savannah and New Hampton tied with 6 points each; ninth, Princeton, 5 points; tenth, Platte City, 4 points; eleventh, Bosworth, 3¾ points; twelfth, Weston and Bethany tied with 2 points each; thirteenth, Maryville, 1¼ points.

Resume Silo Construction.

The interlocking cement stave silo factory of Hubbard & McDonald, north of Ravenwood, opened up for business this week with a full crew of men, and many hundred of cement staves are being turned out daily.

The firm has seventeen of these silos sold, and many more prospects of silos at hand.—Ravenwood Gazette.

SAY ITALY MAY WAR FOR TRIESTE

HARDSHIP OF OWN BLOOD MAY TURN TIDE.

AUSTRIAN PROVINCE DECLARES FOR LATINS

Inhabitants Cheer Native Land, Against Rules of Dual Monarchy—May Arouse Country to Action.

By American Press.

Rome, April 23.—Fear is felt that the shortage of food in Trieste may result in disorder of such importance that will lead to serious trouble here, where everything affecting Trieste is watched with the closest interest, because the population of that Austrian crown land is chiefly Italian.

The people of Trieste are reported as marching through the streets demanding bread and crying "Down with the war," cheering for Italy. Under rigid Austrian regulations of the past this procedure would have resulted in arrests, as the display of Italian colors or singing of Italian anthems were prohibited.

If the situation in Trieste becomes worse it is believed here that it may be sufficient for the Italian government to take a hand, because of the sympathy and excitement it would arouse among the people of this country.

Thaw out of New York, which came to light last night in Norfolk, Va. Without accusing Thaw or any of his intimates of participating in the plot, local authorities said they had reason to believe that plans had been laid to take Thaw from his guard on the way to court here, place him in an automobile and hurry him to the first train for Virginia.

"Our whole duty is summed up in the motto, 'America first,'"—Woodrow Wilson.

Did you ever notice that the public servant who performs his duties to your entire satisfaction in a thousand cases and fails to please you in one is a terribly bad fellow?

It is useless to look down upon the meek and lowly "movies." They are here, and they have a firm hold on us. That the movie "habit" is growing and is one of the fixed things to be reckoned with hereafter is evident. During the year 1913 $275,000,000 was paid in nickels and dimes for admissions to moving picture shows. More than 11,000,000 people in this country visit the "movies" every day in the year, and more than $120,000,000 is invested in moving picture theaters. That they fill a public want is evident. They are the poor man's opportunity and everybody's convenience.

1912, being captain in 1912. He likewise was president of the 1912 graduating class.

Since going to the Normal he served on the foot ball team in 1910, basket ball teams in 1913, 1914 and 1915, as captain this year, and on the track teams in 1913 and 1914, during which latter year he was captain. He is president of the 1915 Normal graduating class.

He has been a member of the Northwest Normal quartet, directed by Prof. P. O. Landon, for three years.

The Normal has turned out several manual training and athletic teachers. Philip Parcher took such a position in the Argenta, Ark., high school, while Frank McKee took one in a Minnesota high school. It Is Worth $2.00 *to Look Right* ?

THE, simplest dress, the most inexpensive suit, look different over our $2.00 Gossard Corsets. In Maryville an army of women believe that it is worth $2.00 to have their figure correctly corseted—they believe that clothes do not make the woman unless she has the right corset.

There is quality in this model—style—long wearing service. False economy is extravagance—continued usefulness and satisfaction are real economy. Which is better—six one dollar corsets a year, or two Gossard Corsets at $2.00 each?

Which is better, authoritative style and scientific fitting or haphazard selection over the counter of the garment which makes or mars the beauty of your figure?

Stop your corset purse leaks—make a careful investigation—be fitted to any corset, then try on this jewel of corset values and we will let you decide. It is worth double the price we ask—$2.00.

MISS BAKER WINS HONORS.

Obtains Highest Scholarship Rank of Girl Students at Northwestern.

Miss Carrie Margaret Baker, the daughter of Mr. and Mrs. George B. Baker of this city, a student at Northwestern university, won the highest scholarship grade of any sorority member, and because of this was honored by being made the toastmistress of the Pan Hellenic association banquet, given Tuesday night at the university.

The banquet is one of the most important features in the school activities. It is an honorary scholarship banquet, the girl maintaining the highest average in each sorority being the guests of the association. The two ranking highest in each class of the university are also guests.

The plan was worked out two years ago in the hope of stimulating interest in the scholarship averages.

The highest honor of the year in the girls' classes is that given Miss Baker, whose average was the highest in the sorority and also in scholarship. She is a member of the Chi Omega sorority.

TAKE CASE TO SUPREME COURT.

Local Attorneys to Jeff City to Conduct Conway vs. Robinson Suit.

T. A. Cummins of the firm of Cook, Cummins & Dawson, and M. E. Ford of the law firm of Wright & Ford, left Maryville yesterday for Jefferson City to appear as counsel in a suit of Julia A. Conway against Fred P. Robinson, which has been taken to the state supreme court. The case will be considered today.

Mr. Robinson could not attend on account of other business detaining him here.

The case is being taken to the supreme court to test the constitutionality of a proceeding in selling a wife's dower to a piece of land. The property in question is in the west part of town. It is a test case and involves the title to several pieces of property in the Lynnhurst addition.

The property was sold in 1878 to George Henbeck, who sold it to Mr. Robinson's father, T. L. Robinson.

The case was first brought in the Maryville court in January, 1912. Judge Ellison disqualified himself from sitting in the case and it was transferred to Gallatin.

Mr. Robinson won the case in the Gallatin court and it was appealed.

JOPLIN WOMAN IS RESTORED BY REMEDY

Mrs. Hillman Took Treatment Two Years Ago—Has Been Well Ever Since.

Mrs. Ida Hillman of Joplin suffered from stomach ailments for twelve years. She followed the advice of several expert physicians and took a great deal of medicine. Two years ago she discovered Mayr's Wonderful Remedy—and she has been well since. Mrs. Hillman took but a few doses. She writes:

"I suffered with stomach trouble almost twelve years. I tried many doctors, but received no help until, while in Cleveland, Ohio, I read your notice in a paper and concluded to try Mayr's Wonderful Remedy. Since then I have felt like a new woman.

"I took only four bottles, but that was all that was needed to make me well. It has been almost two years and I have had no return of my trouble."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

IMPROVE CEMETERY NEXT WEEK.

Road Around Old Burying Ground Planned—To Be Leveled, Too.

The old county cemetery at First and Water streets will be improved next week by order of the county court, by the establishment of a driveway on the east, north and west sides of the burying ground, and by leveling off the tract, W. M. Blackford, presiding judge of the county court, announced this morning. The work will be in charge of B. F. (Doc) Mozingo, who will begin work on the cemetery Monday morning.

The city has agreed to furnish a team, wagon and driver to remove the surplus dirt for use in making a fill near Davis and Third streets. None of the larger trees in the cemetery will be removed, as was first planned, but two small saplings will be eliminated. The improvement work was ordered on petition of the local chapter of the Daughters of the American Revolution.

Druggists Below Are Giving With Each Sale A Refund Blank Good for Money Back if Not Delighted.

Since its introduction here a short time ago, the new treatment for cold troubles, known as Vick's "Vap-O-Rub" Salve, has aroused a great deal of interest among local people, especially among mothers with small children.

Local druggists report that numbers have taken advantage of their 30 day trial offer to see if Vick's really will relieve these troubles quicker than internal medicine. With each sale they are giving a refund blank, showing date of purchase, which is good for your money back if Vick's is not the best thing you have ever tried.

For croup, coughs, head colds, sore throat or bronchitis, apply Vick's over the throat and chest, covering with a warm flannel cloth. Leave the covering loose around the neck so the vapors arising may be freely inhaled. In addition, Vick's is absorbed through the skin, taking out that tightness and soreness. For head colds, catarrh, hay fever or asthmatic troubles Vick's can be either applied up the nostrils, or a little melted in a spoon, and the vapors inhaled. You have to try this treatment to realize its remarkable effect in all cases of cold troubles.

GOLD DUST

—its use is second nature in millions of homes

Gold Dust really *works*. Millions of women know how Gold Dust does the hard work of washing dishes, scrubbing floors, and washing woodwork—

But not *all* of these millions of women realize that Gold Dust is the *only* washing and cleaning powder needed in any home.

Gold Dust cleans metal work, nickel, enameled ware, aluminum vessels, etc., without scratching or marring the polished surface.

Use it for washing bathtubs and bathroom fixtures, cleaning and brightening pots, pans and cooking utensils, cleaning and freshening linoleum and oilcloth, washing glassware—in short, use it to clean and brighten everything.

Letter to Mr. Fred Kurtz,
Maryville, Mo.

Dear Sir: The cheap paint to buy is the one that covers more than you think; the cheap one to wear is the one that is young when old.

Mrs. Moore of Kelsey, N. Y., bought 16 gallons Devoe to paint her house two coats; her painters said it would take that. Had 6 gallons left.

Mr. James Ackley's house, in Cairo (Catskill Mountains), N. Y., was painted Devoe; it wore 14 years; and the paint was in good condition then. He was going to paint, the last we knew, though. That's the way to preserve a house; repaint when there's no occasion. Yours truly,

F. W. DEVOE & CO.,

P. S.—Koch's Pharmacy sells our paint.

DOCTORS USING AMOLOX WITH GREAT SUCCESS

This remarkable letter, coming from a prominent physician engaged in active practice for over 25 years, proves the merit of this wonderful new remedy:

I have used Amolox in four different cases with excellent results. All showed marked improvement from the start. Two apparently are cured, the skin being free from scales and redness, and perfectly normal.

I consider Amolox a remedy of rare merit. I know of nothing in the modern text books that equals it in therapeutic value.

Very truly yours,
H. R. Hills, M. D.
